Wind Classification Data is provided by
Pacific Northwest Laboratories

FINANCIAL ACKNOWLEDGMENT

This map was developed as part of the Texas State Energy Conservation Office's (SECO) Renewable Energy Program which is funded 100% by oil overcharge funds from the Stripper Well Settlement, as administered by the State and approved by the U.S. Department of Energy. Neither the staff of SECO makes any warranty or assumes any legal liability or responsibility for the accuracy, completeness, or usefulness of any information, apparatus, product or process disclosed. Mention of companies, trade names or commercial products does not constitute or imply endorsement, recommendation or favoring by any agency.
